

WELCOME

Welcome to Wee Warriors Learning Center. Our program is a ministry of Jasper First Baptist Church. Our purpose is to provide quality care and instruction in a Christian environment in which a child may develop spiritually, mentally, physically, emotionally, and socially. We strive to create a nurturing atmosphere that will minister to the individual needs of every child. Our prayer is that through our mutual cooperation we can begin to build a solid foundation for your child for years to come. We want you to be able to take comfort in knowing that your child is in the care of loving teachers, learning about Jesus and His love while you are away for the day. Our Wee Warriors Learning Center staff appreciates your sharing this part of your child's life with us and does not take this great responsibility lightly. Our Wee Warriors Learning Center was designed to be a ministry for our church and our community.

HOW TO DRESS YOUR CHILD

We ask that you send your child to school in comfortable play clothes. We will be doing many hands on activities such as painting and playing outside. Tennis shoes are recommended instead of dress shoes, sandals or boots. Also, please dress your child according to the weather. We will go outside as long as the temperature is 40 degrees and above. Remember to label all coats, sweaters, gloves and hats.

All children need to bring one change of clothes. This includes 3-5 year olds.

Children who are learning bathroom skills should have three to four changes of clothing during this time. Accidents do happen! If your child has an accident and they do not have extra clothes here at Wee Warriors Learning Center, then a parent/guardian will be called to bring your child a change of clothing.

WHAT YOUR CHILD NEEDS EACH DAY

Each child is required to bring a change of clothes, snack, and spill-proof drink cup in a backpack or bag.

- Babies Room – need a diaper bag with plenty of disposable diapers, wipes, a complete change of clothes, prepared formula or juice in plastic bottles. Please send in unopened food jars and pouches of baby food. If they need a special blanket or “lovey” for sleep time, please send that with them in their bag.
- Toddlers Room – plenty of wipes and diapers or pull ups if needed, change of clothes, snack, and spill-proof cup.
- Preschoolers and PreK Room– change of clothes, spill-proof cup, and snack.

Please remember to label everything from home.

We discourage bringing toys from home.

Please make sure that your child has eaten breakfast before arriving at school.

Infants will be fed formula, milk, juice or water as provided by the parent. Do NOT send glass bottles! All bottles must be labeled with your child's name.

Please only send water or juice only in a spill proof cup.

DISCIPLINARY

Any and all physical punishment is absolutely prohibited. Wee Warriors Learning Center strictly prohibits the use of corporal punishment, including verbal abuse. Therefore, corporal punishment will not be used under any circumstances at Wee Warriors Learning Center. Positive reinforcement is used in disciplining children. If the child goes past the limits of what is permitted, the time-out principles will be used. If the problem persists, the teacher will consult the parent/guardian on how to best deal with the situation.

Wee Warriors Learning Center reserves the right to dismiss the child from the program if the above steps fail.

COMMUNICATION

Communication is essential. Directors can be available via text, email, and phone. We will have a Wee Warriors private Facebook group to share pictures and information.

Please join the Remind group upon acceptance to stay up to date.

A monthly newsletter will be sent home to inform you about special activities and dates.

HEALTH

It is required that each child has an up-to-date immunization record on file. You may obtain an immunization record from your child's pediatrician or the health department. These records must be turned into the Director when your child starts the program. A child cannot enter Wee Warriors without health records.

Should your child need medicine while under our care, it will be administered by the Director or Assistant. The medication must be in the original container and list the child's name, doctor's name, medicine name, the issue date, the dosage and how the medication should be stored. The parent should give the medicine to the Director or Assistant and fill out a permission form for administering medication.

This card will include parent's name, address, home phone number, work phone number and cell phone number. It will also include the names of people we are allowed to contact in the event you cannot be reached and the names of others authorized to pick up your child.
